ISF Bank Officially Changes Name to GN Bank

On July 27th, 2018 we held an event where our chairman, Dr. Papa Kwesi Nduom, officially unveiled our new name change from ISF Bank to GN Bank. The event was attended by customers, local politicians and community leaders.

“Under our new brand, you will see the care and attention to customers that has sustained us in this community for more than 80 years. You will also see the introduction of more technology, services and products to meet the growing needs of this community,” declared Dr. Nduom to those in attendance.

While the ISF Bank name will no longer be used, all of its rich history and original goals of providing banking services to under-served groups of people will continue to be carried by the GN Bank brand and much more.

Dr. Nduom concluded his remarks by quoting Corinthians 9:6 in the bible saying, “The point is this: whoever sows sparingly will also reap sparingly, and whoever sows bountifully will also reap bountifully.”

We also had the honor of having Illinois State Treasurer, Michael W. Frerichs, speak at the event. Mr. Frerichs reiterated the importance of acknowledging and helping under-served communities.

“We know that when we put more capital into a community it allows for entrepreneurs and small businesses to invest and grow their operations” said Mr. Frerichs adding “we are very happy to be partnering with GN Bank [to put more capital into the local neighborhoods]”

As we move into a new phase in our history we would like to invite you to be part of this change as we continue to grow and adapt to meet the needs of our community and our customers.

GN Bank at Ghana Fest 2018

This marked a special year for ISF Bank being that this is the first time we attended Ghana Fest as GN Bank. Being able to rebrand ourselves and market to both the community as well as present a familiar name to the Ghanaian people served to be a great marketing tool to attract new business to our bank.

Dr. Nduom was able to speak to over 200 attendees and announce the change over to GN Bank. Employees and attendees showed excitement about the new future of the bank.

Access Chicago 2018

MOPD (Mayor's Office for People with Disabilities) promotes total access, full participation and equal opportunity for people with disabilities living, visiting, and working in the City of Chicago. This event was geared towards informing individuals who have disabilities about the different options and opportunities that are provided to them within the City of Chicago.
