Home Buying Seminar

On September 27th, 2018 we held a home buying seminar at our 8700 S. King Drive location. The seminar was free of charge and open to anyone who was interested in buying a home.

The purpose of the seminar was to teach those in attendance how to navigate the home buying process and be able to identify the steps necessary to achieve the goal of home ownership.

We want to make GN Bank more than just your financial institution, we want it to also be a source of knowledge and provide as much help as we can, whether it be through our financial literacy classes for young adults, seminars or other events. We look forward to being able to host more seminars and information sessions like this one in the future.

The seminar was conducted by our CEO, Mr. Robert Klamp, and Loan Department which included Ms. Tanya Bell, Ms. Jacqueline Brown, Mr. Greg Johnson and Mr. Todd Dokes.
